Henry Anderson is winner in Ga.'s Courteous Cop contest

Henry I. Anderson, a police officer with the Statesboro police department for 18 years, has been declared to be Georgia's most courteous law enforcement officer.

Officer Anderson, received the greatest number of votes and complimentary letters in Georgia's first annual Courteous Cop Contest, August 16 through October 15, which was sponsored by the three AAA motor clubs in the state—the Georgia Motor Club, Atlanta; the East Georgia Motor Club, Augusta; and the Savannah Motor Club, Savannah.

Officer Anderson was presented with a 1954 Dodge Royal V-8, 4-door sedan, at the annual meeting of the Georgia Peace Officers' Association in Augusta on Tuesday of this week. Governor-elect Marvin Griffin presented the keys to Anderson for the prize valued at over \$3,000.

Officer Anderson is 63 years old and has lived in Georgia all his life. He now lives at 218 East Main street.

Five other Georgia police officers were awarded travel prizes.

When Officer Anderson returned to Statesboro he made the following statement:

"I wish to thank each and every person in Statesboro, Bulloch county, and surrounding counties, who played a part in helping me win first place in the Courteous Cop Contest sponsored by the Georgia Motor Club, the East Georgia Motor Club, and the Savannah Motor Club. It has been my pleasure to try to serve you as a peace officer for many years and I shall always be in the debt of the public for the great kindness shown me in the contest, but far beyond that, I can never repay the public for the honor and confidence placed in me as a peace officer. The aim of this study group is to acquaint both officers and members of civic groups in ways of conducting a business meeting, participation in meeting and the development of leadership. The technique of procedure and strategy for meetings will be the aims of this group.

WHEREAS: November 11th, known as Armistice Day (Veterans Day), is a legal holiday under the laws of Georgia, it is therefore

A Proclamation

WHEREAS: It has long been our custom to commemorate November 11, the anniversary of the ending of World War I, ARMISTICE DAY, by paying tribute to the heroes of that tragic struggle and by dedicating ourselves to the cause of peace; and

WHEREAS: In order to expand the significance of that commemoration and in order that a grateful nation might pay appropriate homage to the veterans of all its wars who have contributed so much to the preservation of this nation, the Congress, by an act approved June 1, 1954 (68 Stat. 168), changed the name of the holiday to VETERANS DAY; and

WHEREAS: November 11th, known as Armistice Day (Veterans Day), is a legal holiday under the laws of Georgia, it is therefore

ORDERED: That said Thursday, November 11, 1954 be observed as a legal holiday by all departments of the state, and that the Capitol be closed on this date.

Denmark Sewing Club meets at the home of Mrs. G. R. Waters

Mr. and Mrs. J. T. Creasey Jr. had as guests last Sunday, Mr. and Mrs. C. W. Gordon of Savannah, Mr. and Mrs. Geo. Cameron of Claxton and Mr. and Mrs. Walter Weathers of Marietta.

Mrs. Cloyce Martin served as secretary for this meeting. A motion picture on irrigation was a part of the Denmark program, as well as a short entertaining picture.

Brooklet Lewis and Kay Ann Hendrix were featured at the Brooklet meeting Wednesday night, since they had just won the state talent contest and were representatives of that chapter.

R. L. Atkins led the devotion at Brooklet. Paul Brisen-de and Miss Patsy Poo sang solos. Miss Nancy Parrish played the violin. Miss Jane Beasley and Miss Mary Ansley played a duet on xylophone. The program was arranged by Mrs. J. H. Wyatt, president, named a nominating committee composed of J. Harry Lee, Robbie Belcher and J. T. Whitaker. He asked that they make a report at the December meeting.

Mr. Wyatt also gave a report on the state convention activities. He expressed considerable optimism over the chances of rewriting the farm bill if the Farm Bureau would get enough members in before November 30.

E. T. Mullis, soil conservationist, discussed the various systems of building farm ponds and warned the group to build them correctly or expect trouble later. The dam has to be down on solid clay dirt or the water will seep out. He urged that a pond be put on every available site.

Hal Roach, supervisor of FFA, outlined the systems of irrigation and soil conservation programs. He asked that those desiring a loan for this work to contact their regular source of credit first and then if refused come to the FFA.

Miles Frank Deal, ASC administrative officer, stated that the cotton acreage in the county would be reduced materially from 1954 acreage because some 1,200 acres allotted

would rally behind their organization and build it stronger than ever.

The county also won first place in the district activity contest, along with the state talent contest.

Shown here are the nine GTC seniors whose names were accepted for publication in the 1954-55 edition of "Who's Who in American Colleges and Universities." On the back row left to right: Mrs. Angene Culbreth, Fayrene Sturgis, Mary Alice Jones, Phil Norton, and Cherrell Will. In front are Fey Carter, Nancy Armstrong, Cary Tyson, and "Bo" Ginn.

Miller Elected Frosh' Leader
Under a new system of student election, Fey Carter, Frosh, was elected as the head of this year's freshman class. Miller is a veteran and is majoring in mathematics. Other officers elected are: vice president, Bob Dixon, Vidalia, a physical education major in a run-off; and secretary-treasurer, Eugenia Wright, Dublin, an elementary education major, also in a run-off. The Student Council reported that 78 per cent of those classified as freshmen voted. Phil Norton, president of the Student Council, is quoted as saying, "We are very pleased with the response to the new system of nomination, and we congratulate the freshmen class for their spirit."

GTC Students Join Symphony
Three students from GTC have been accepted this year as members of the Savannah Symphony, a 60-piece orchestra conducted by Chauncy Kelly. Don Flanders, junior, Statesboro, who plays trumpet; Fayrene Sturgis, senior, Statesboro, who plays French horn; and Bobby Moore, freshman, Brunswick, who plays bassoon, go to Savannah every Monday and Wednesday nights to play with the orchestra. Dana King, band director, GTC, makes the trip every Sunday afternoon and plays French horn with them. Georgia families know the joy and comfort of electrical living. Our average residential customer uses twice as much electricity as the average of 10 years ago.

No wonder. It's so easy to do things with wired help. Flick a switch, and you flood the house with light. Twist a dial, and the family clothes are washed and rinsed. Touch a button, and you're ready to whisk the rugs clean.

Electricity heats your water, cooks and refrigerates your food, performs dozens of other chores. It brings the world's best entertainment into your living room.

All for pennies a day! What else in your family budget gives you so much for so little cost?

Reserve guards Wesley "Buddy" Ward and Don Wallen are the other two returning lettermen. Cochran's Sonny Dykes, a 6-1 letterman transfer from the University of Georgia, is also on hand. Salute TO GEORGIA COUNTIES

Pulaski County
FAMOUS S-SHAPED BRIDGE
Pulaski County is named for Count Casimir Pulaski, hero of the American Revolution and was mortally wounded in the Siege of Savannah in 1779. Hawkinsville, county seat, is a favorite winter quarters for harness-racing horses. The city's chief industries are cotton ginning, peanut shelling and textile production. Spanning the fall-filled Ocmulgee River near Hawkinsville is the unusual Memorial Bridge, over a quarter-mile long, whose paved surface forms the shape of an "S". In Pulaski County and throughout Georgia, the U.S. Brewers Foundation works constantly to assure the sale of beer and ale under pleasant, orderly conditions. Believing that strict law enforcement serves the best interests of the people of Georgia, the Foundation stresses close cooperation with the Armed Forces, law enforcement and governing officials in its continuing "self-regulation" program.

It's got a "V" in its bonnet—or your choice of two new sixes!

The motoramic Chevrolet for '55

Great new 8
Two new 6's

It's the valve-in-head V8 as only the valve-in-head leader can build it! You'd expect Chevrolet to out-V8 the field—and it has! Chevrolet's new "Turbo-Fire V8" puts a brand-new kind of excitement under your foot. The excitement of 162 horsepower! The excitement of an 8 to 1 ultra-high compression ratio that squeezes more pure fun out of a gallon of gas than you ever dreamed possible! The new "Turbo-Fire V8" is so efficient that it requires only four quarts of oil instead of the usual five or more. And it has the shortest piston stroke in the low-price field, for longer engine life. But we can't even begin to give you the whole story here. Come in and drive the new "Turbo-Fire V8!"

With enough new advances to fill a book!
Chevrolet offers two new highstepping sixes for 1955! There's the new "Blue-Flame 136" (teamed with Powerglide as an extra-cost option) and the new "Blue-Flame 123." Both bring you new, higher-rated power—the zippy, thrifty high-compression kind. Both have new, more efficient cooling and lubrication systems... new engine mounts that result in almost unbelievable smoothness. And, like the new "Turbo-Fire V8," both are sparked by a new 12-volt electrical system for finer performance and faster cold-weather starting. They're the liveliest, smoothest sixes Chevrolet ever put into a passenger car!

The Bel Air 2-Door Sedan—one of 14 new Fiber Body beauties in three new series.

More than a new car... a new **CONCEPT** of low-cost motoring (and much too good to miss driving).
